Amsinkia
spectabilis.

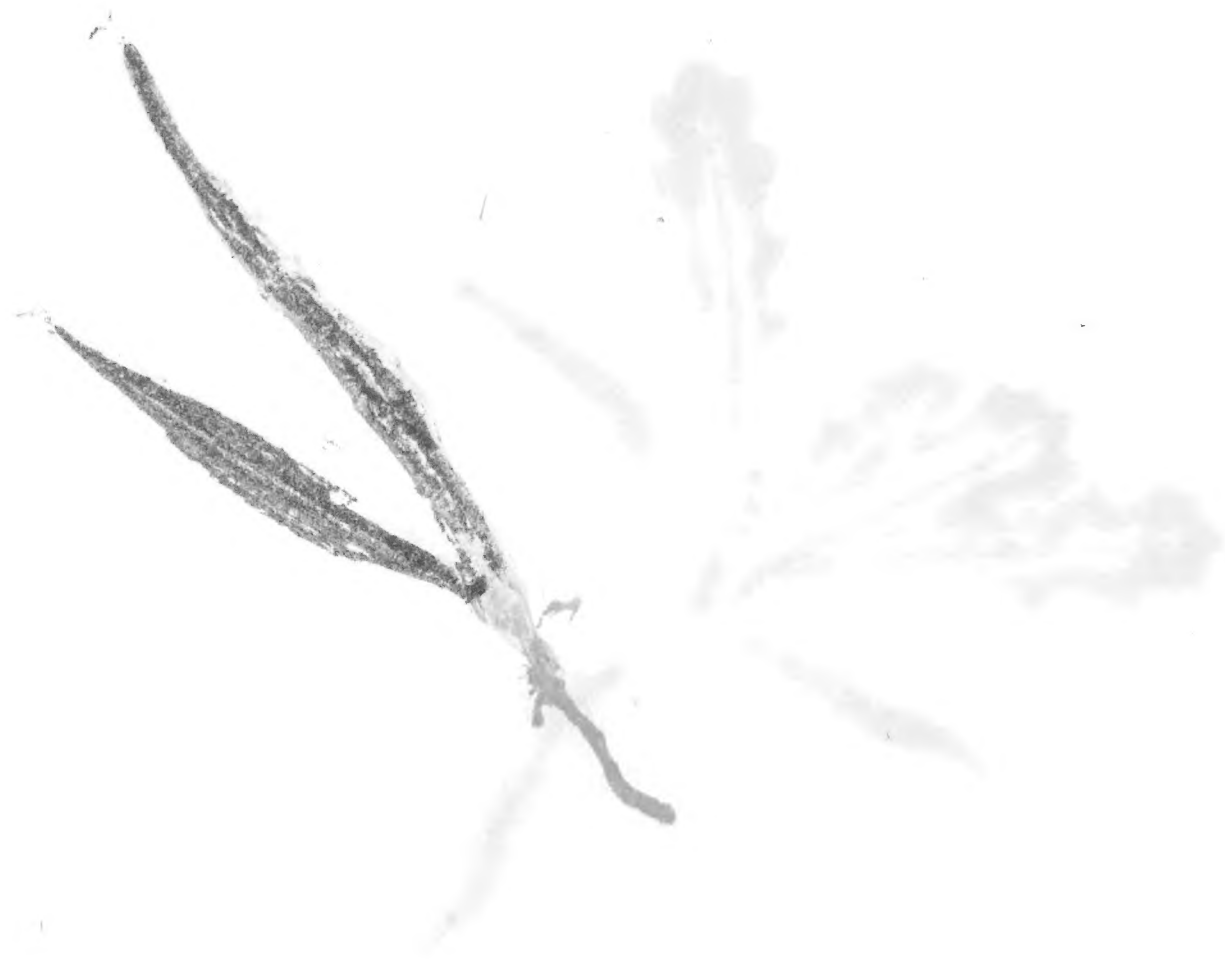

Front

Aphanostephus
ramosissimus.

*Argemone
grandiflora,*

Agave
Kellockii.

Faint, illegible handwritten text, possibly a signature or date.

Andropogon
prostratus.

Apocynum
Cannabinum.

Andibertia
polystachya.

Anagallis
arvensis.

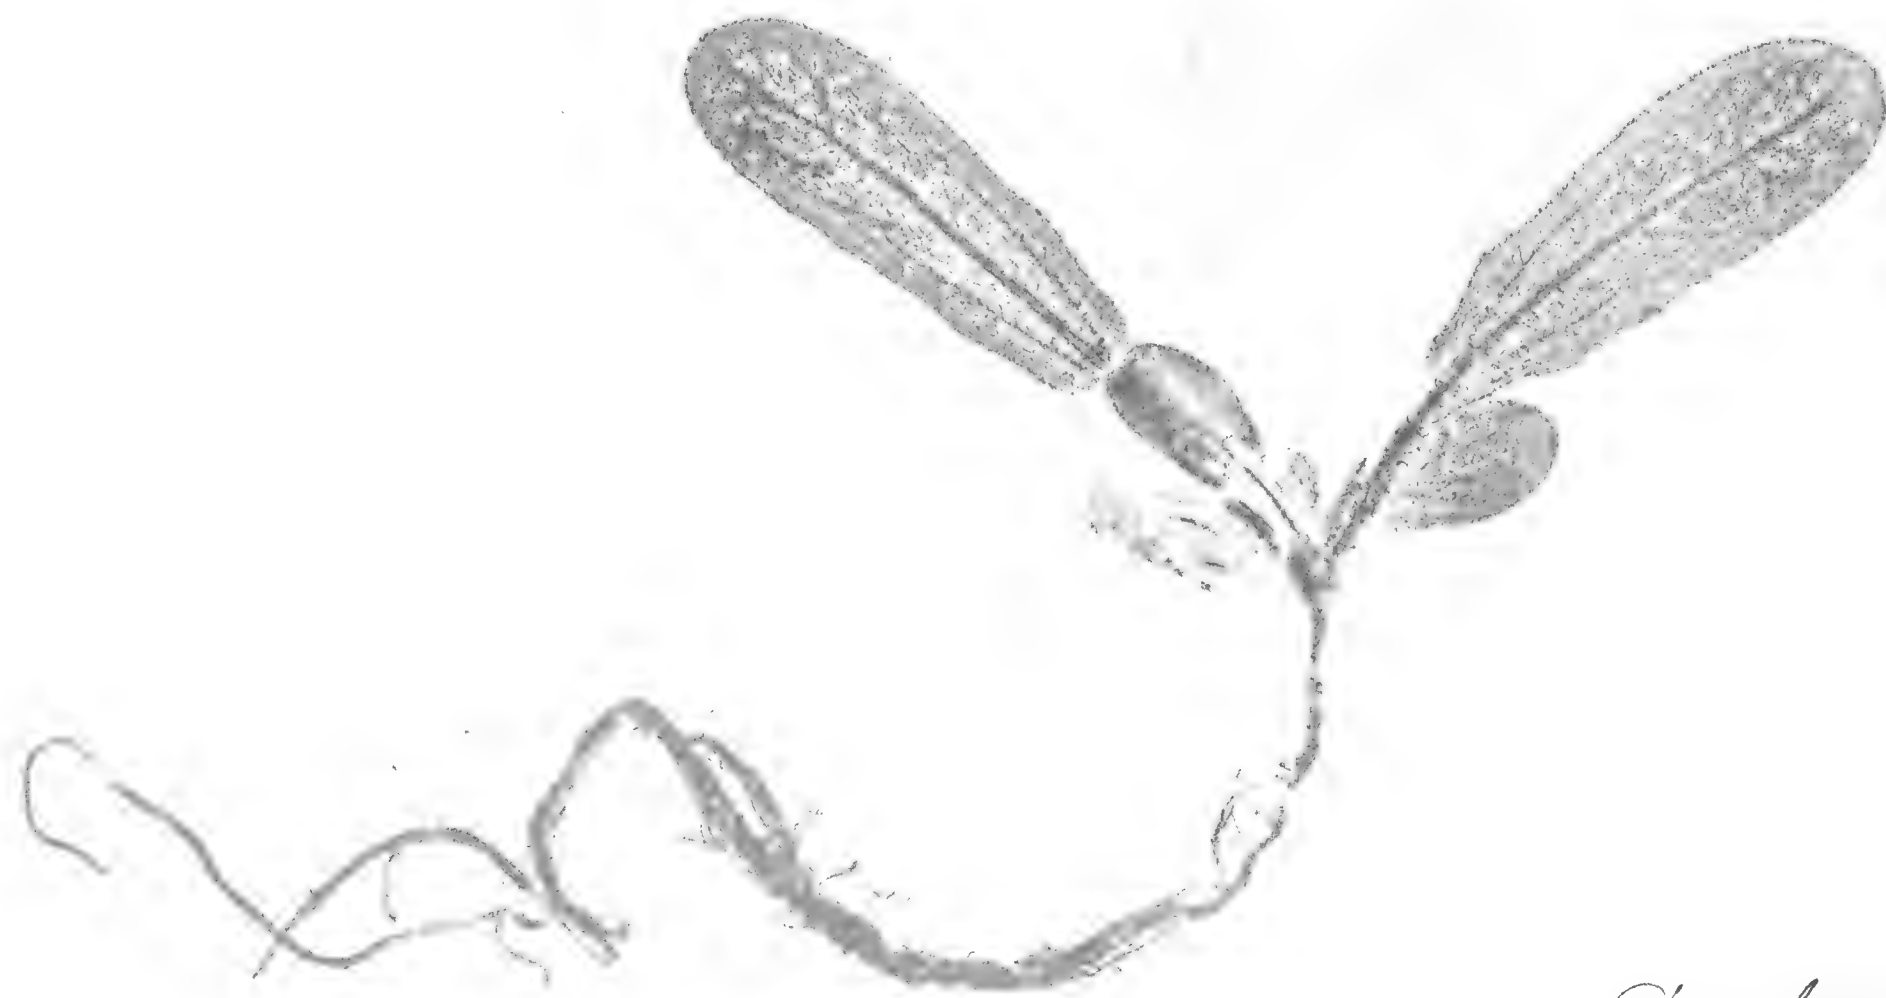

Adiantum
cinnabarinum.

Alnus
incana.

Adiantum
incanum.

Arctotis
breviscapa.

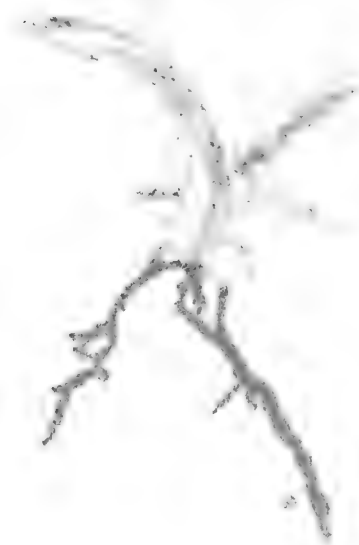

Anthemium
italica.

Antennaria
plantaginifolia

Areca
lutescens.

Barbacenia
purpurea.

Bigelovia
Menziesii.

Riviera
californica

Brodiaea
capitata.

Crataegus
hemisphaerica.

Orephus
hallarivoides.

Encyonema
1895.

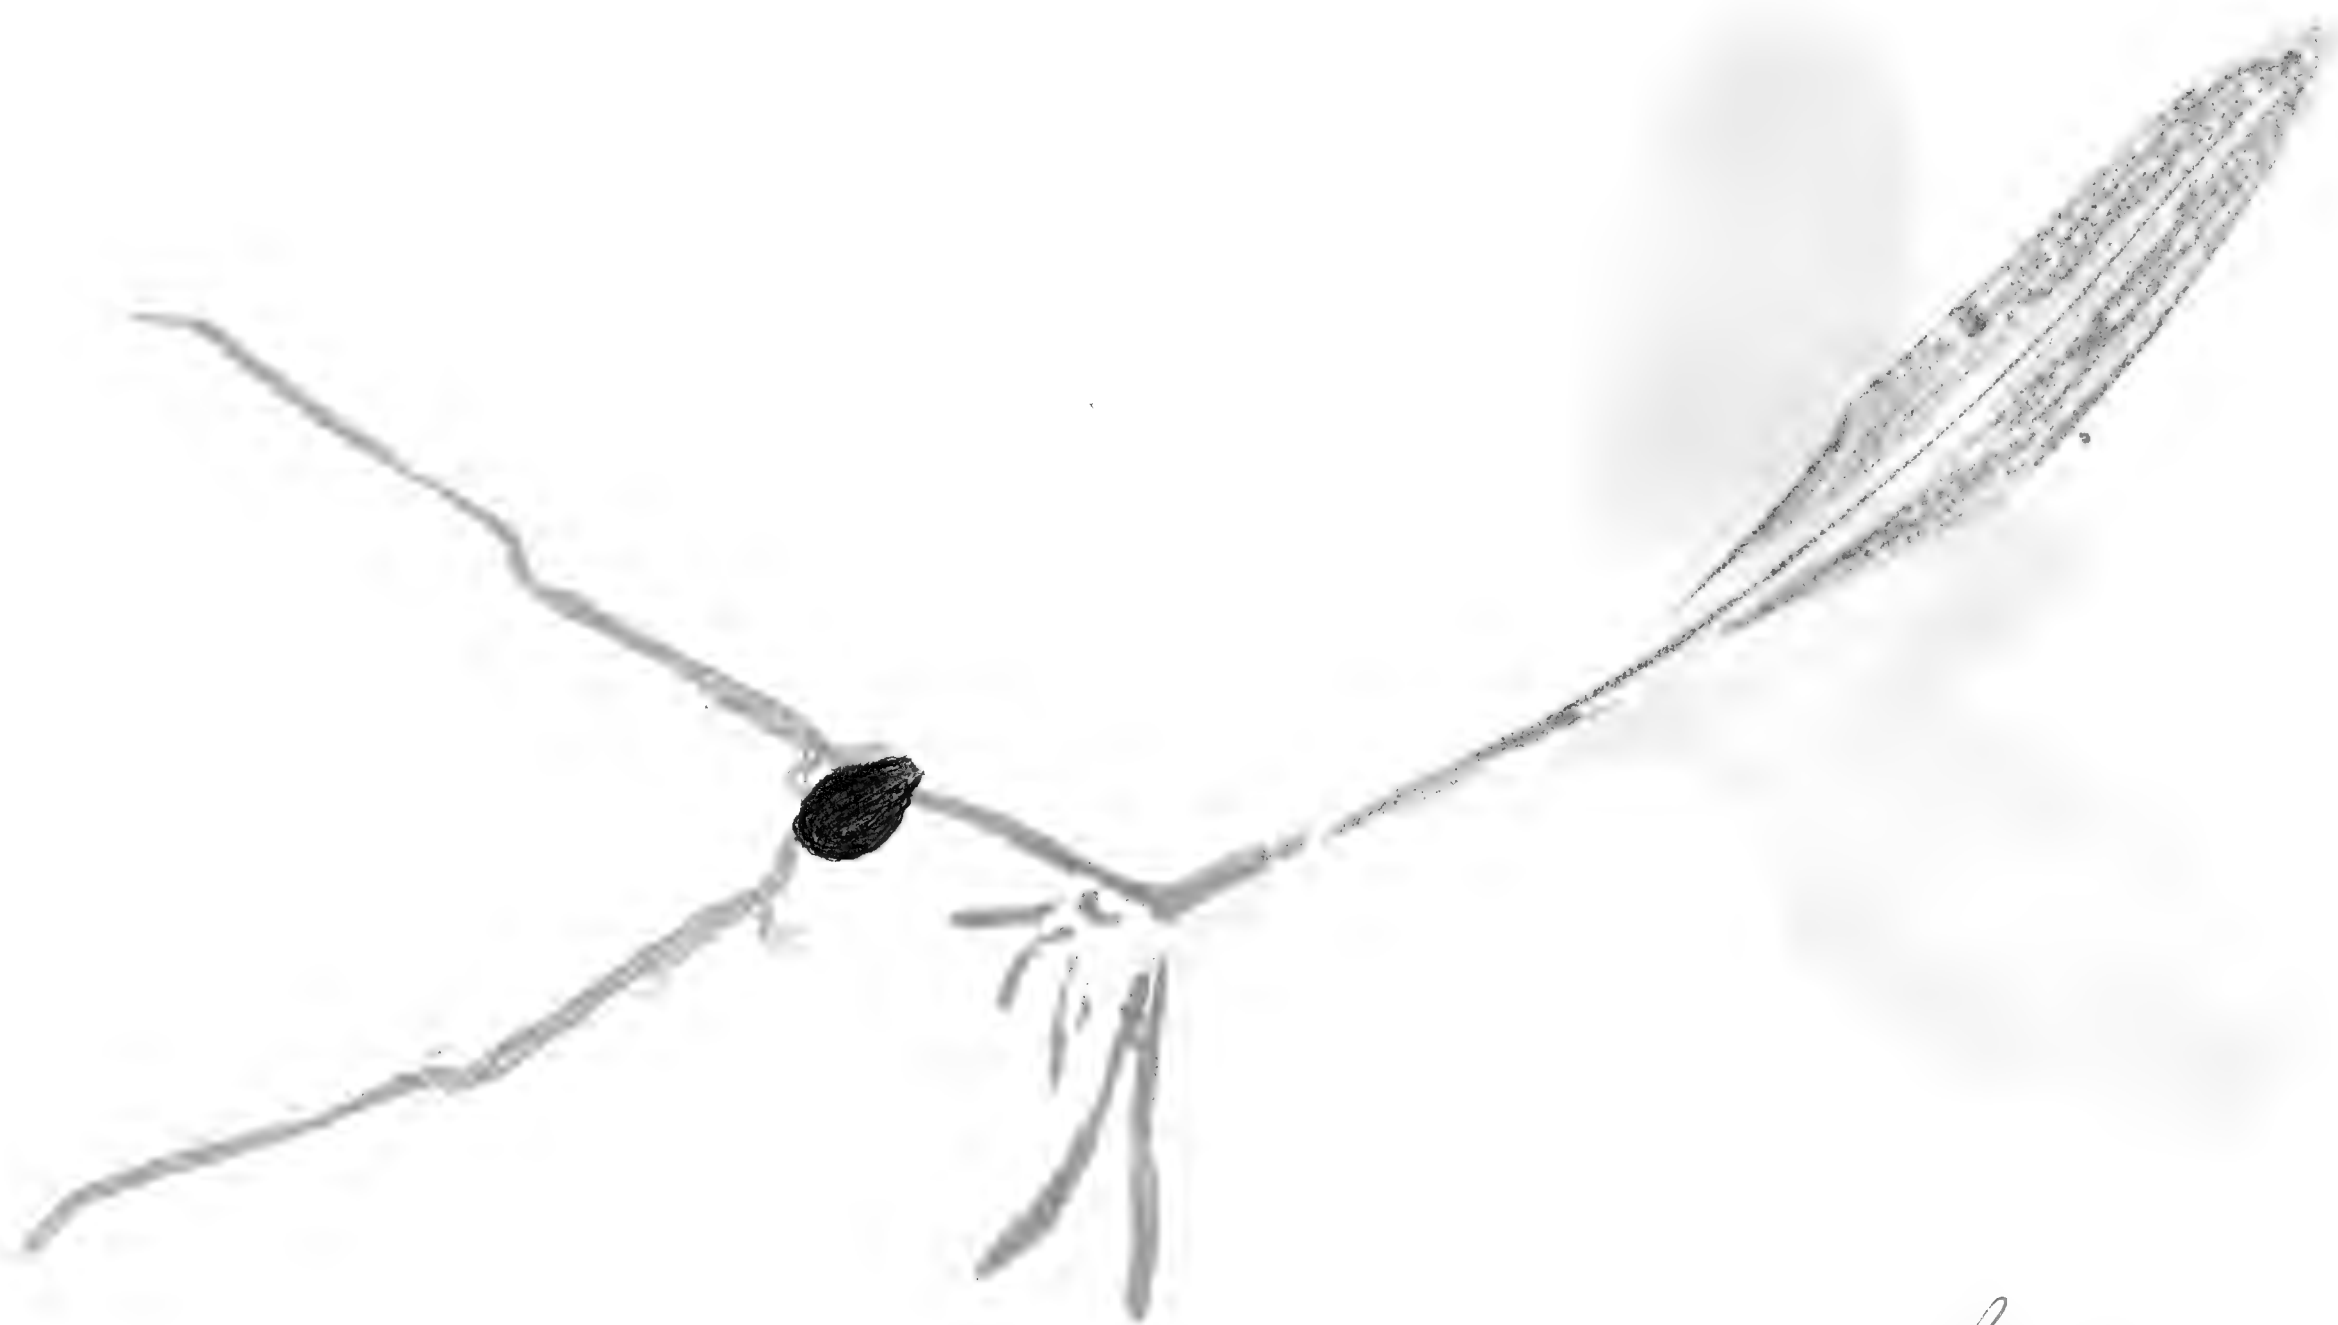

*Chenopodium
humile.*

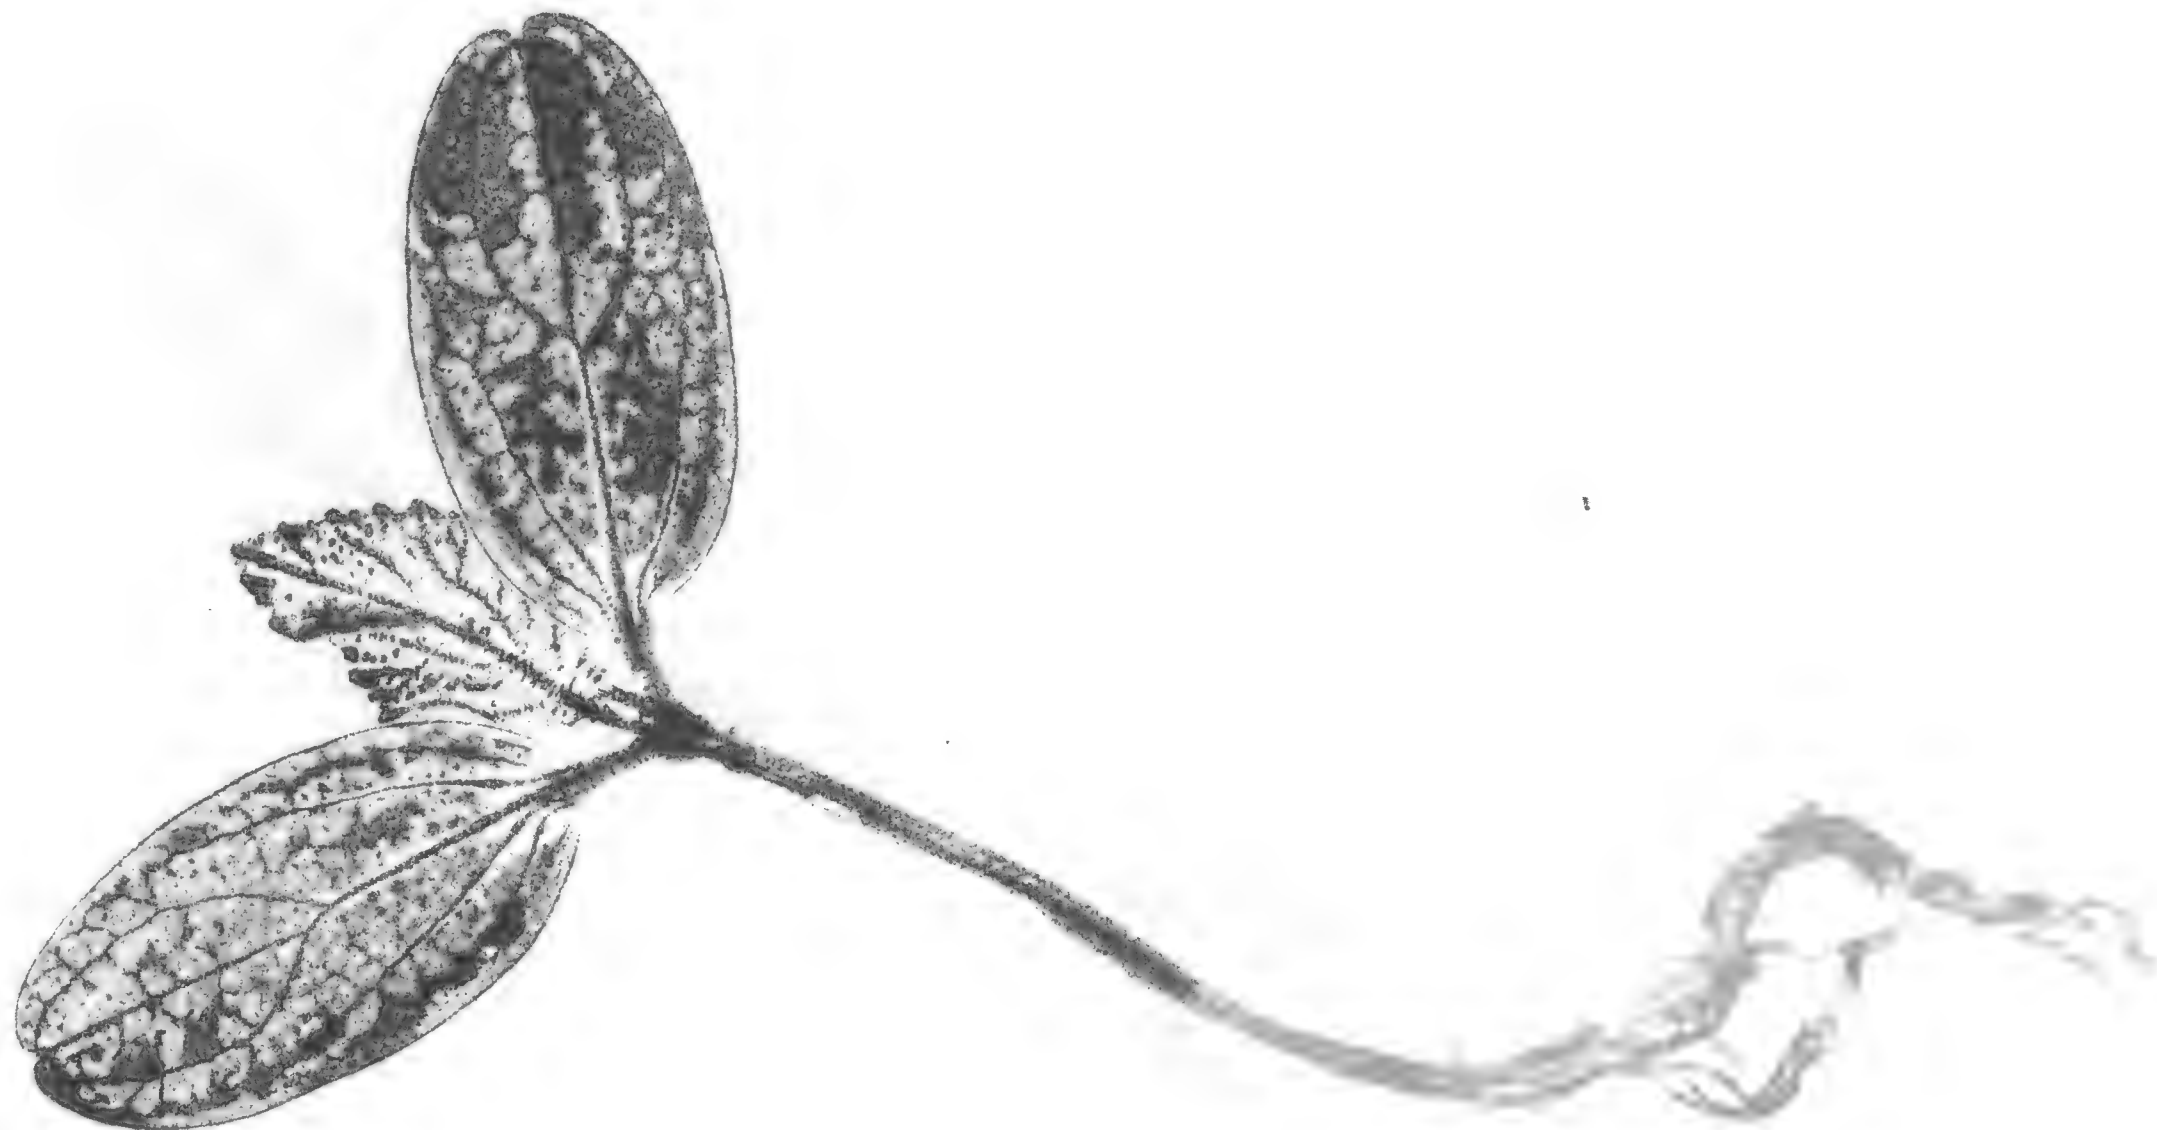

Calamagrostis

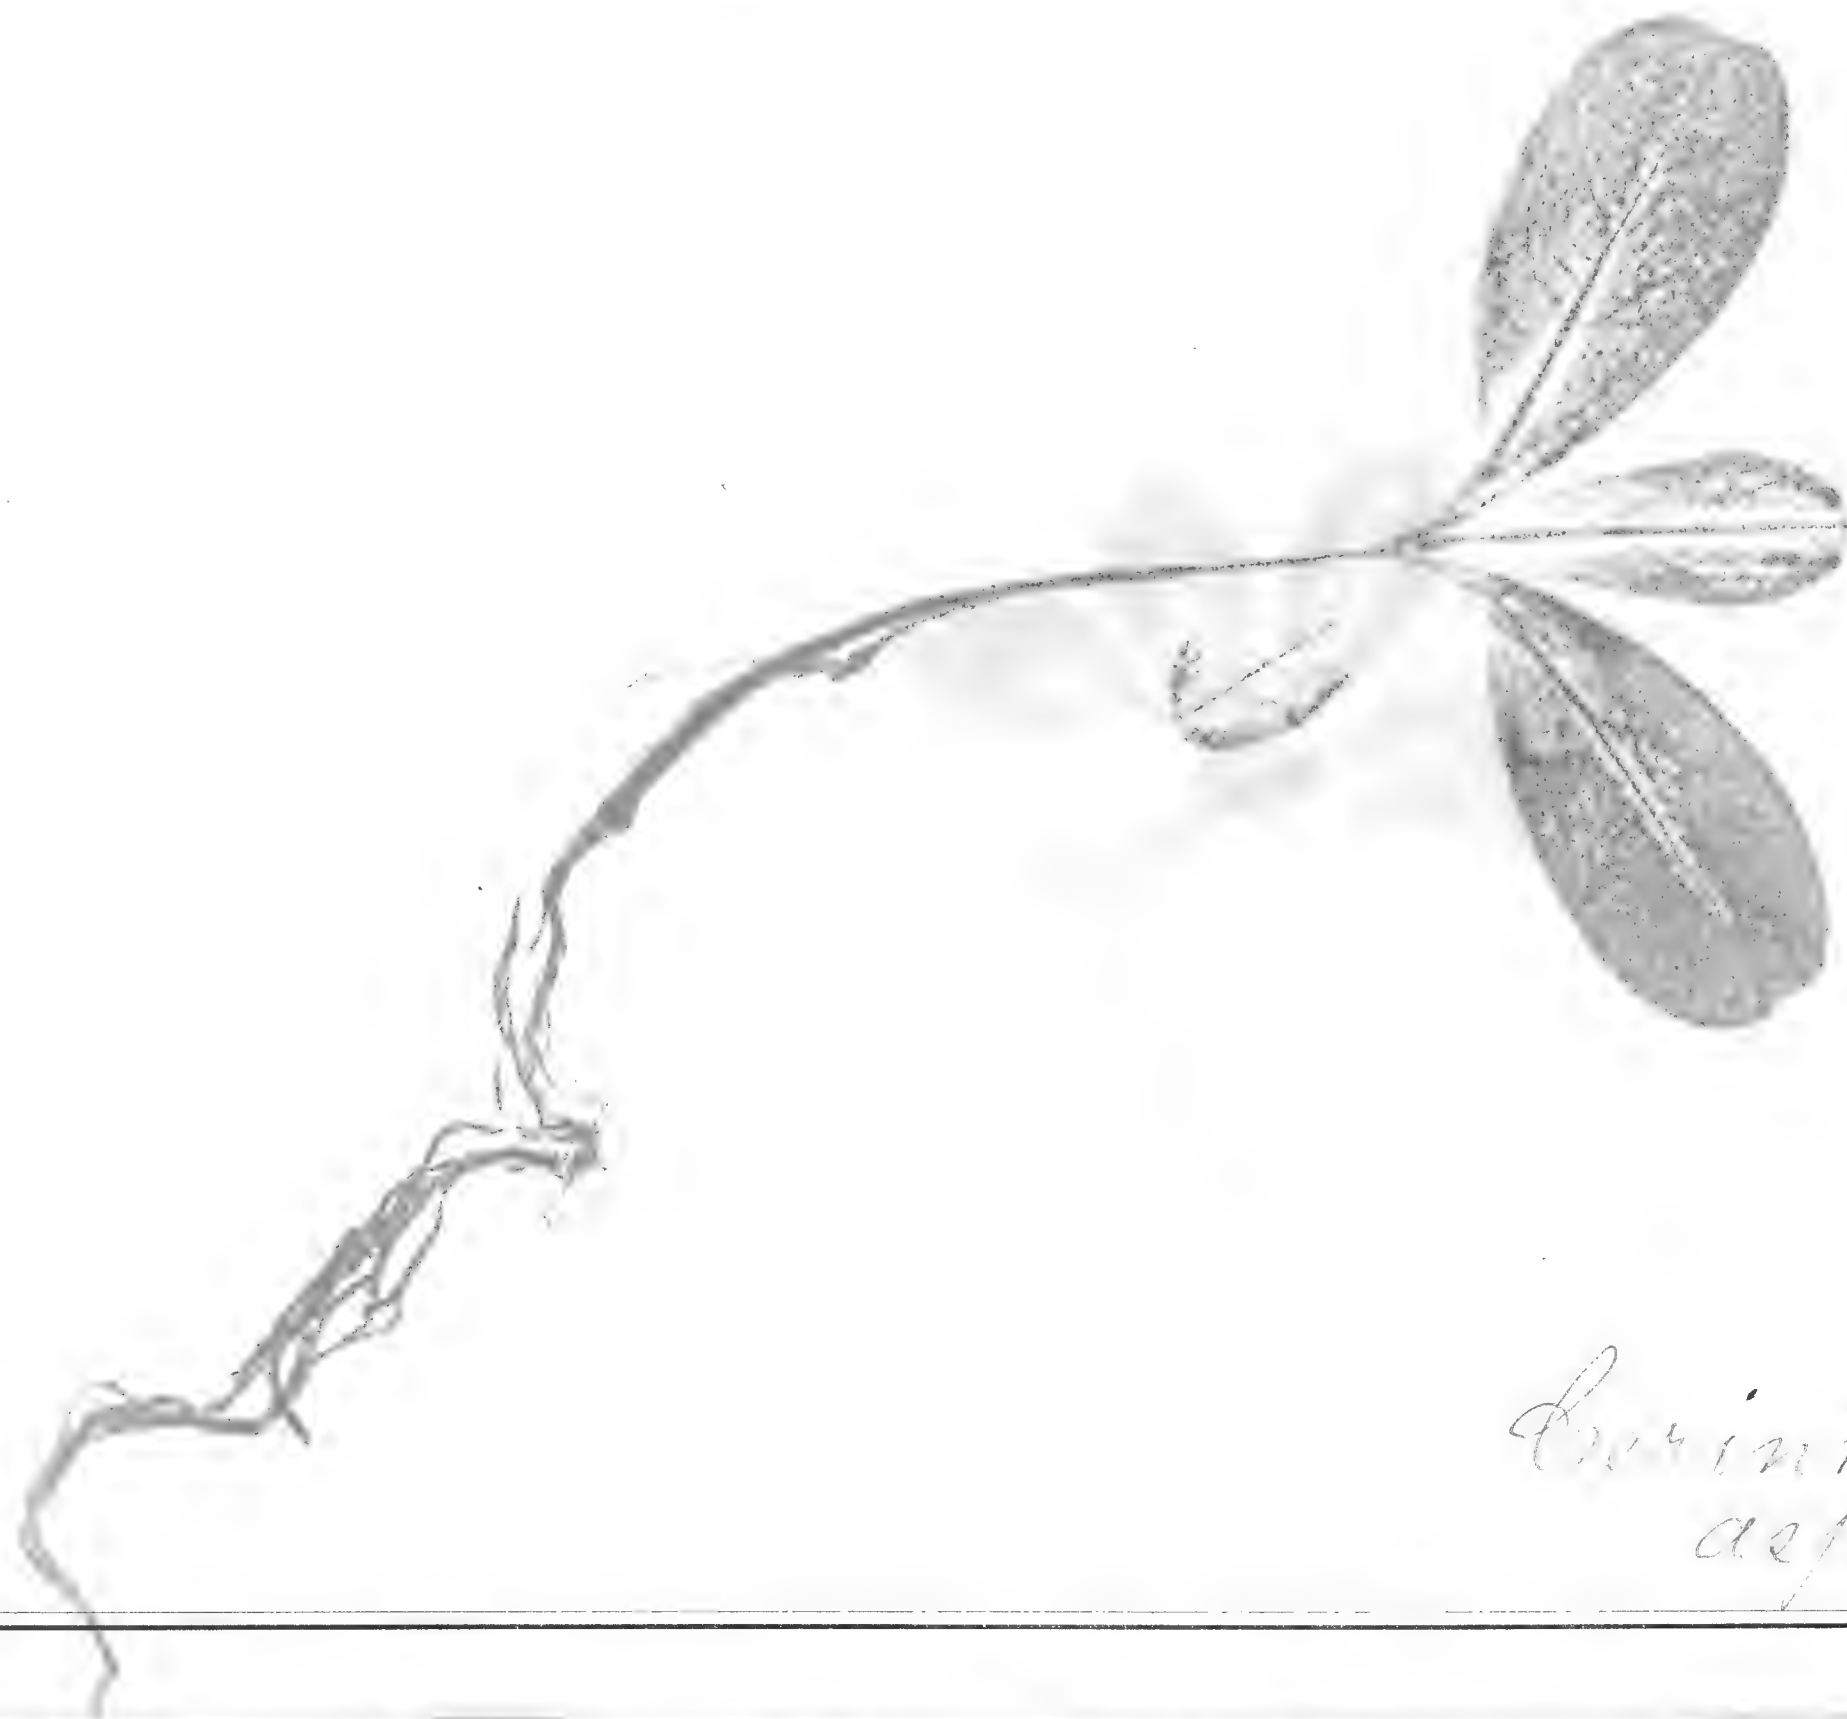

Carolus
Californicum.

Loit
Lachyrma,

Lawsonia
tricolor.

*Coriaria
aspera.*

Comptosia
Coulterii.

Chenactis
camosa.

Crataegus
parvifolia.

Halimolobos
scabiosaeifolia.

Callichris
platyglossa.

Viburnum
lanceolatum

Quercus
agrostis var.

Clanetonia
perfoliata.

Amphicarpum
exaltatum.

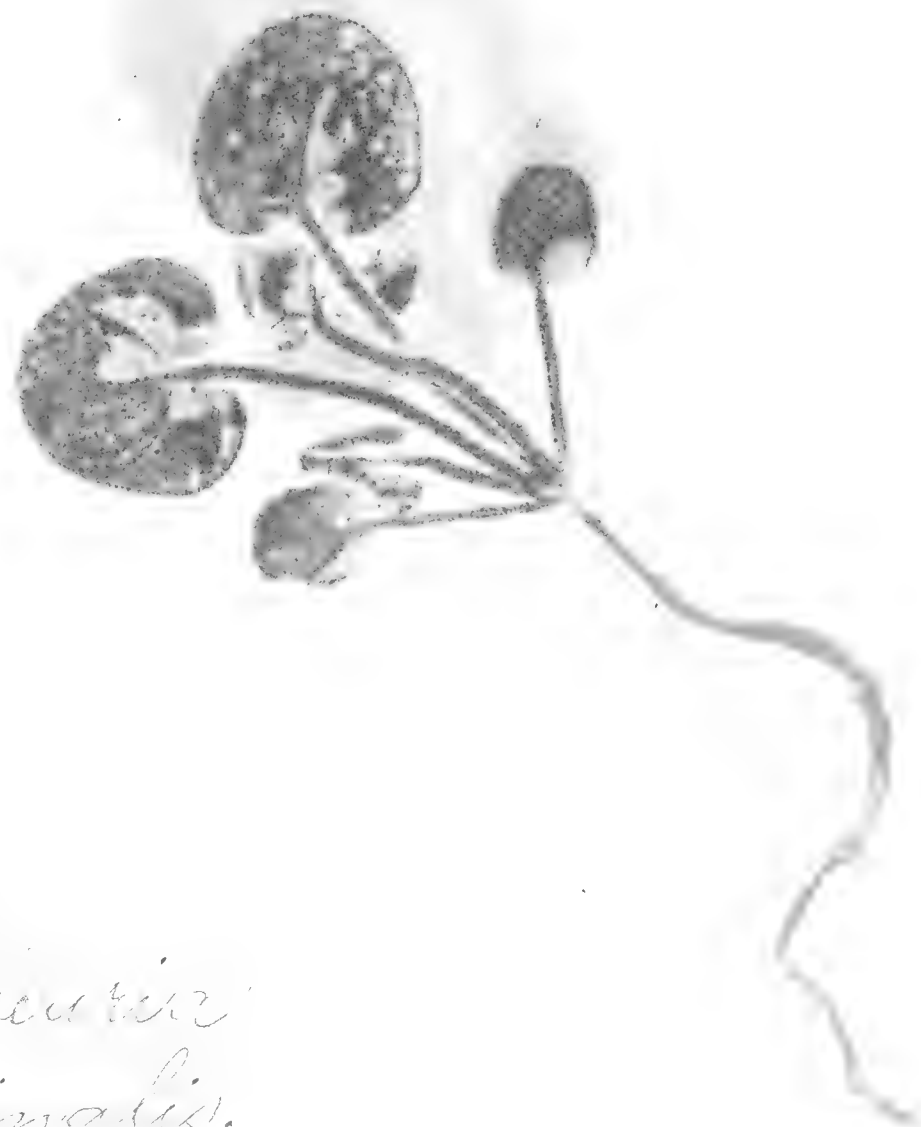

Chilomenium
maritimum
elegans

Acacia dispersum
fruticaculum.

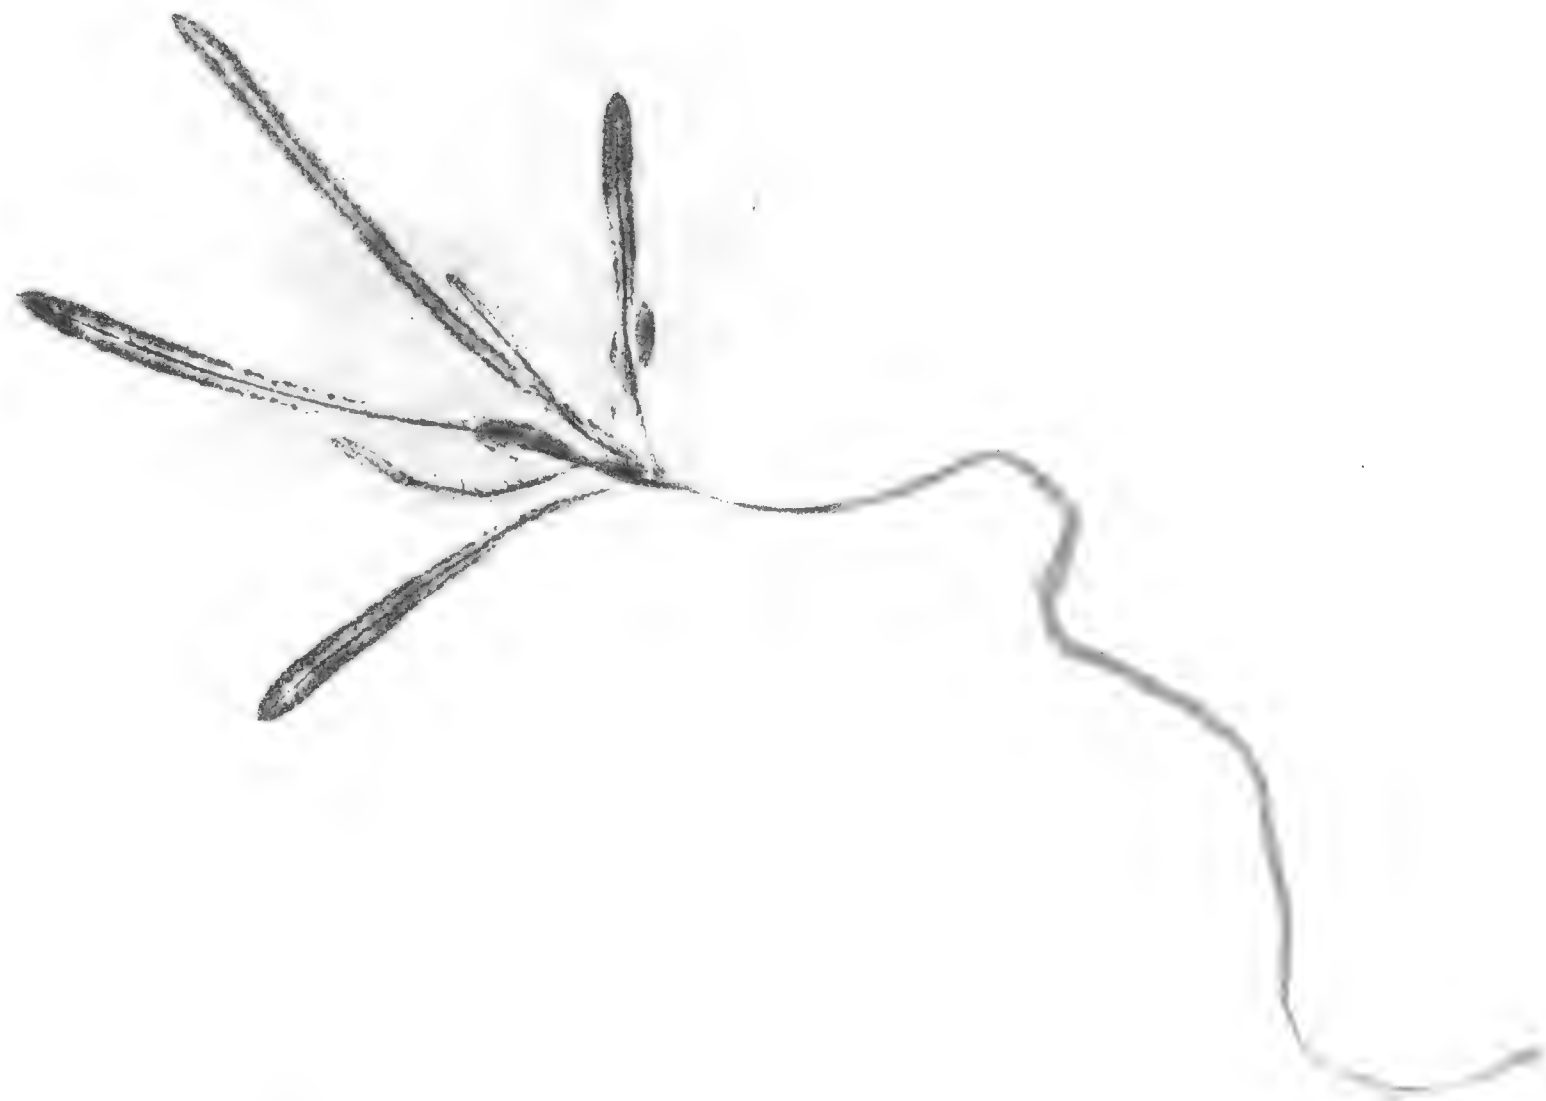

Crataegus
evocina.

Proletaria
rhinialis.
"

Ernestia
pubescens.

Eriochloa
muriculatum.

*Eutroch
virgida.*

Elaeagnus
angustifolia.

Eulobus
californicus.

Erodium
Cicutarium.

Hamamelis
lanceifolia.
var.

Fraxinea
dumosa.

Handwritten text, likely a botanical label or description, written in cursive script. The text is faint and difficult to decipher but appears to include the name of the plant and possibly a date or location.

Linum catharticum.

*Galium
officinale.*

Gaultheria
procumbens.

*Galium
Aparine.*

Gymnoschoenus
lyallii K.

Junca
Helminum.

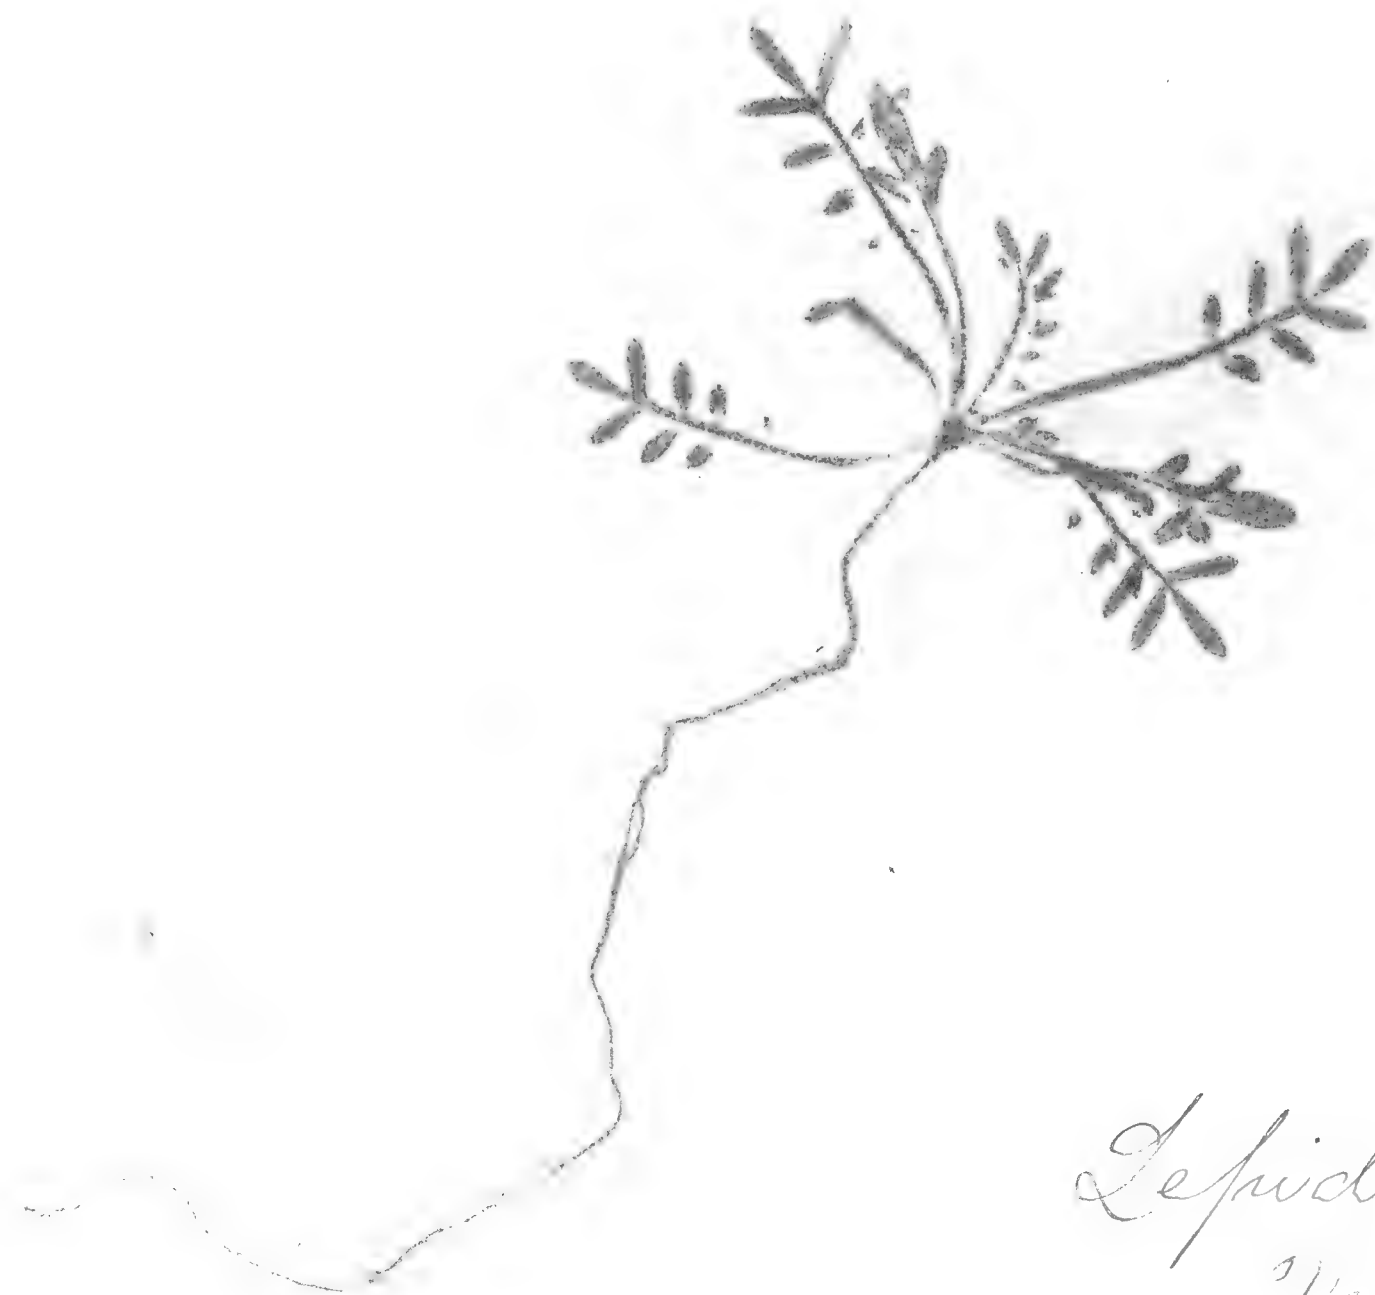

Isomeris
arborea.

*Laburnum
vulgare.*

Pyrethrum
P. aureum.

Lepidium
Virginicum.

Lagotis
flavata.

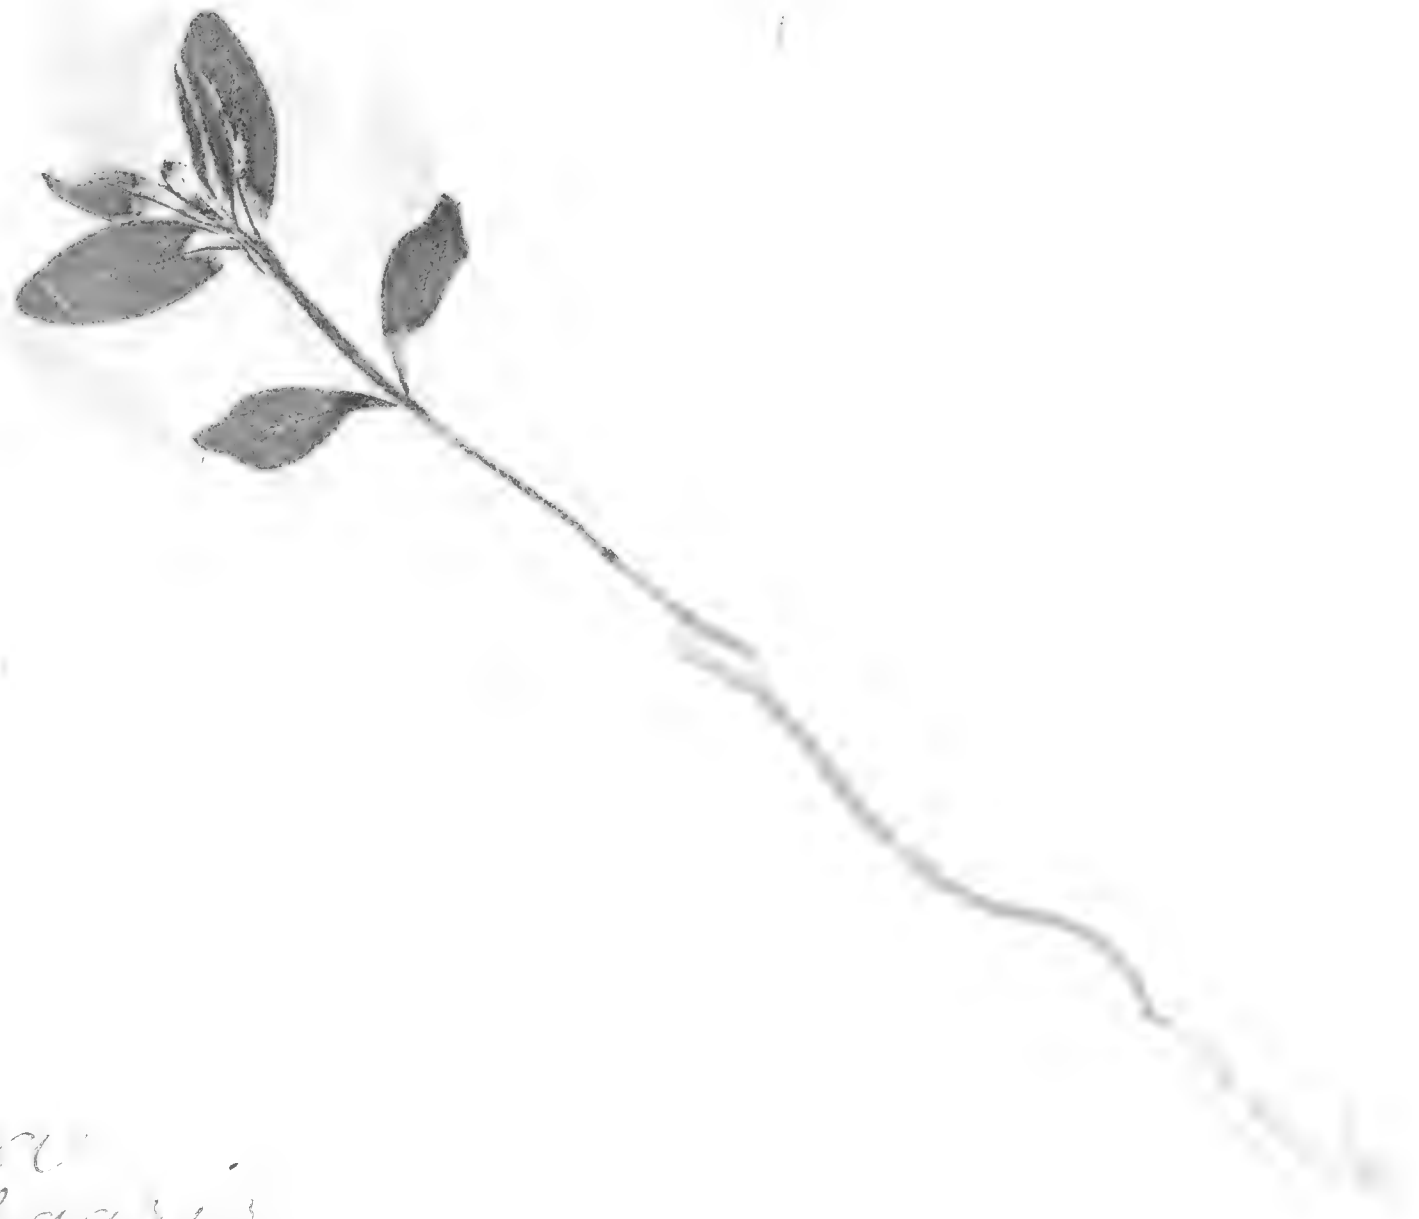

Lupinus
nanus.

Lagurus
ovatus.

*Levisticum
officinale.*

*Linaria
vulgaris.*

Mimulus
californicus.

Microseris
linariifolia.

Antennaria
californica v.

Opuntia
Serpentina

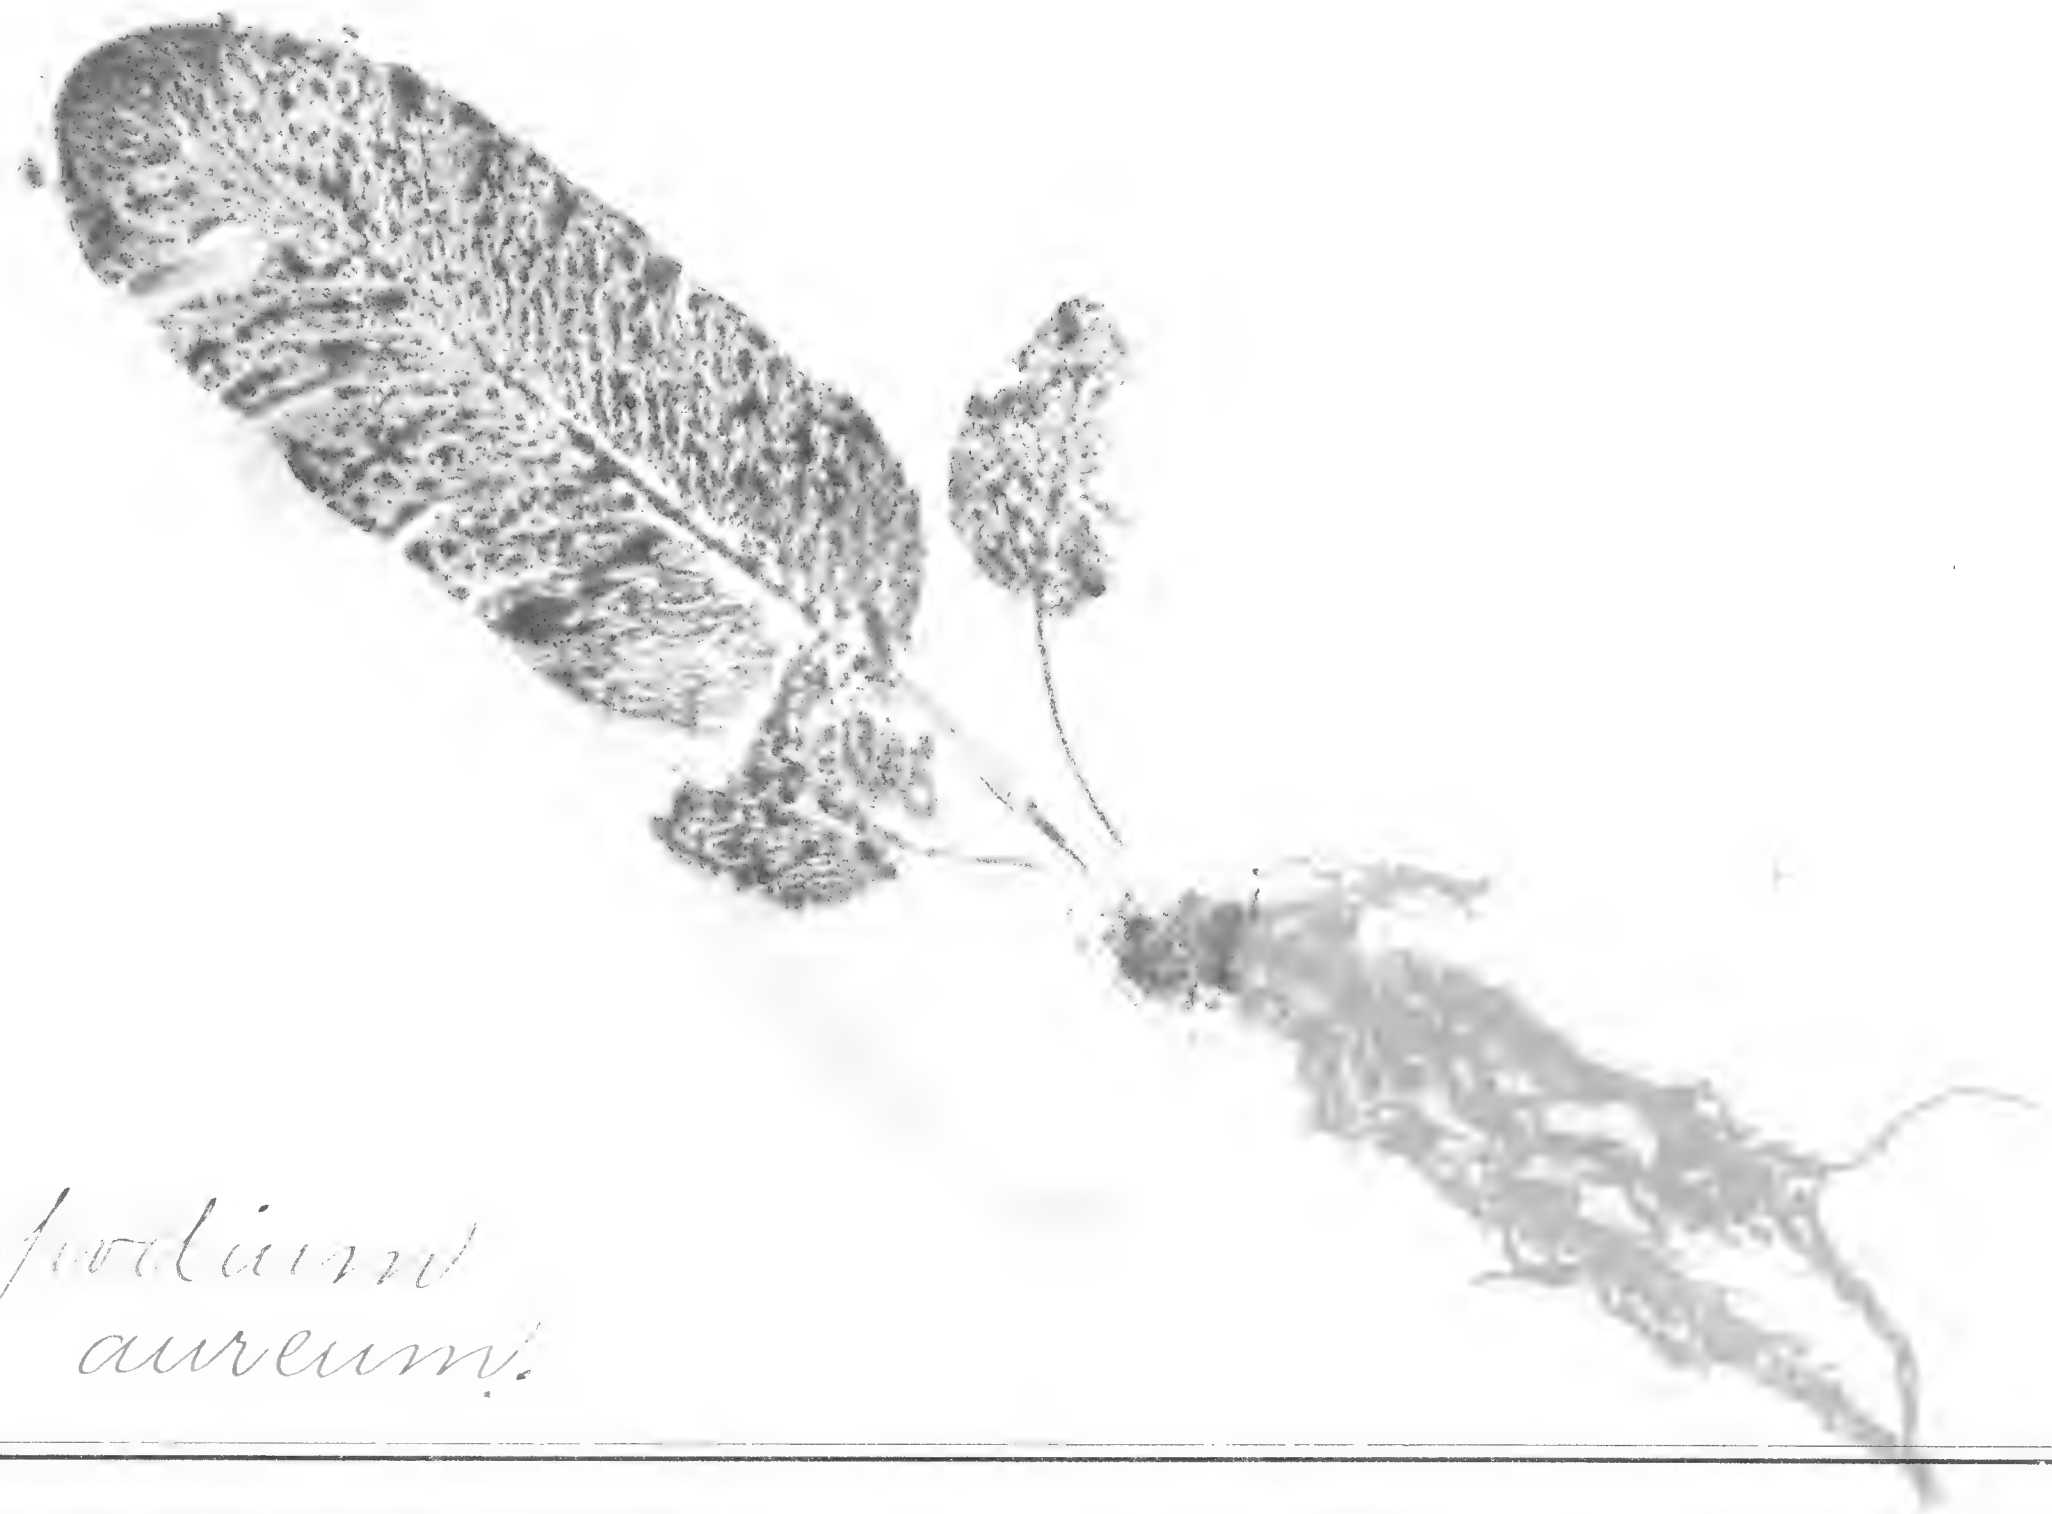

Pluchea
Camphorata.

Peucedanum
utriculatum.

Ptilurus
aculeatus.

Polyfructum
aureum.

Dr.
10000.
no. 1000.

Polemonium
argentea.

Pardonanthus
chinensis.

Handwritten text, likely a label or description, possibly reading "P. ...".

*Punicia
Gramma Linn.*

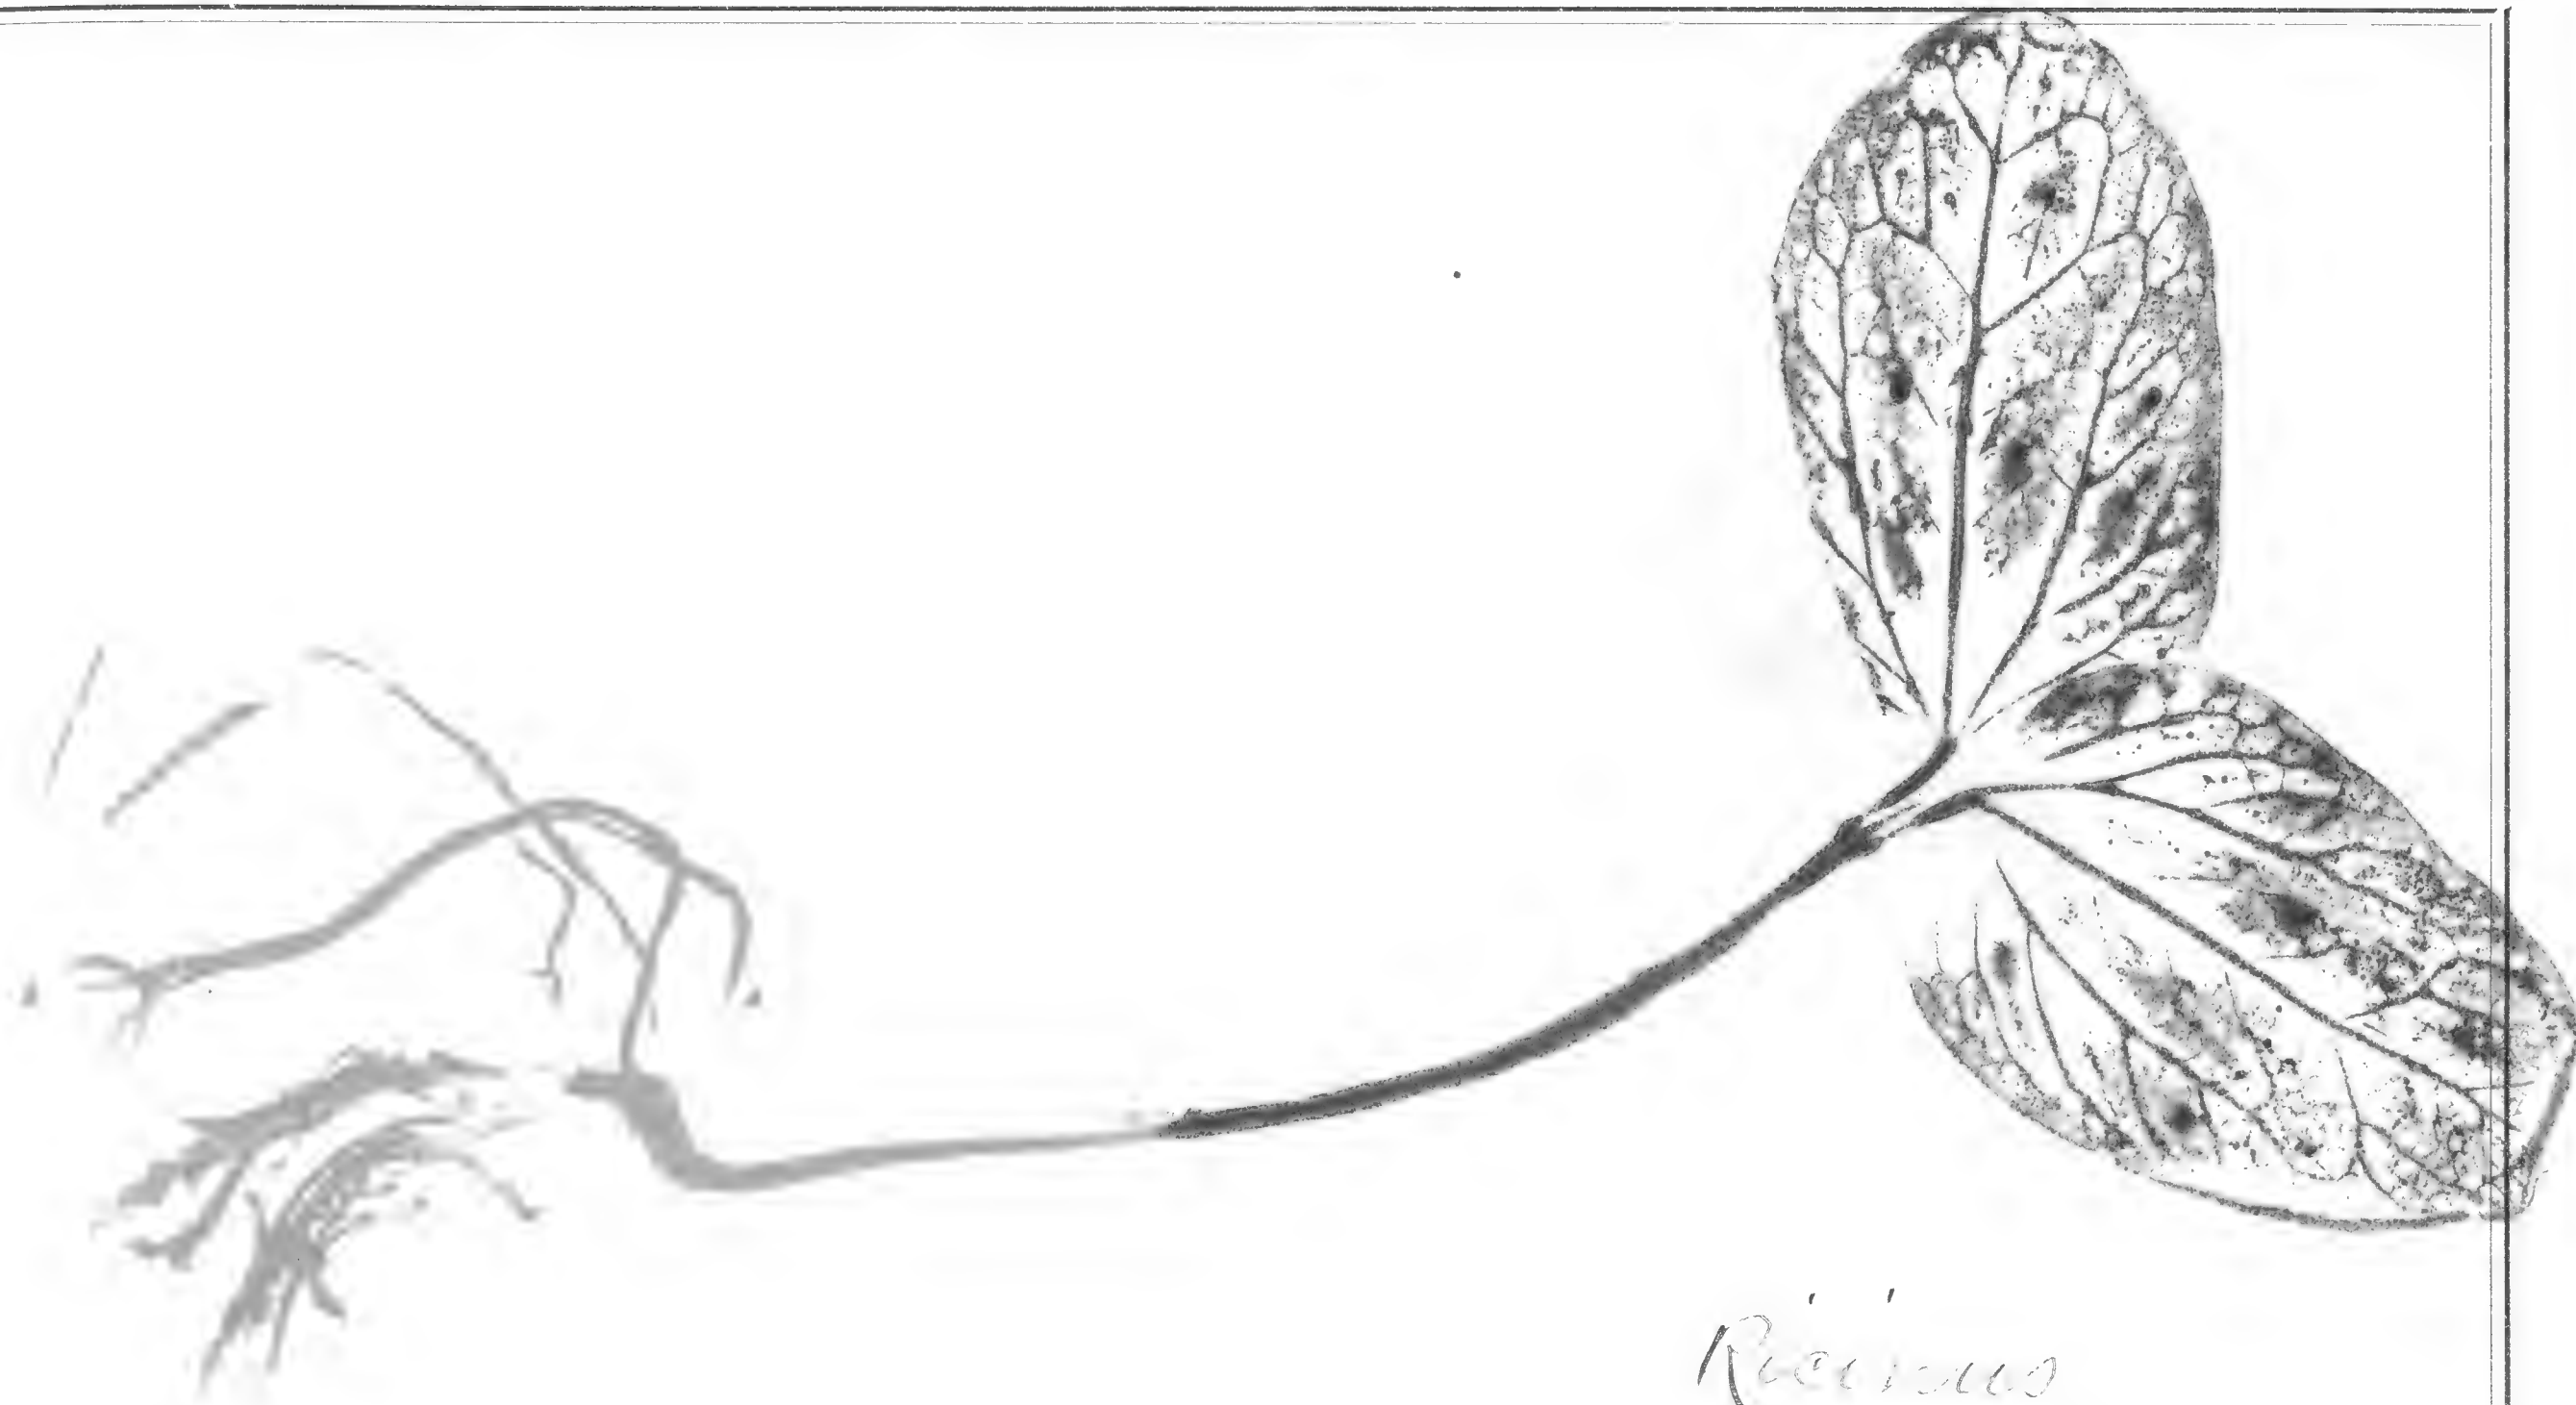

Phytolacca
viscosa

Pimpinella
Arvensis.

Plantago
medjov.

*Ricinus
communis.*

Rheum
Rhaponticum.

Malva sylvestris

37
C. ...

Rhamnus
cathartica.

*Rhododendron
ponticum.*

Ranunculus
officinalis.

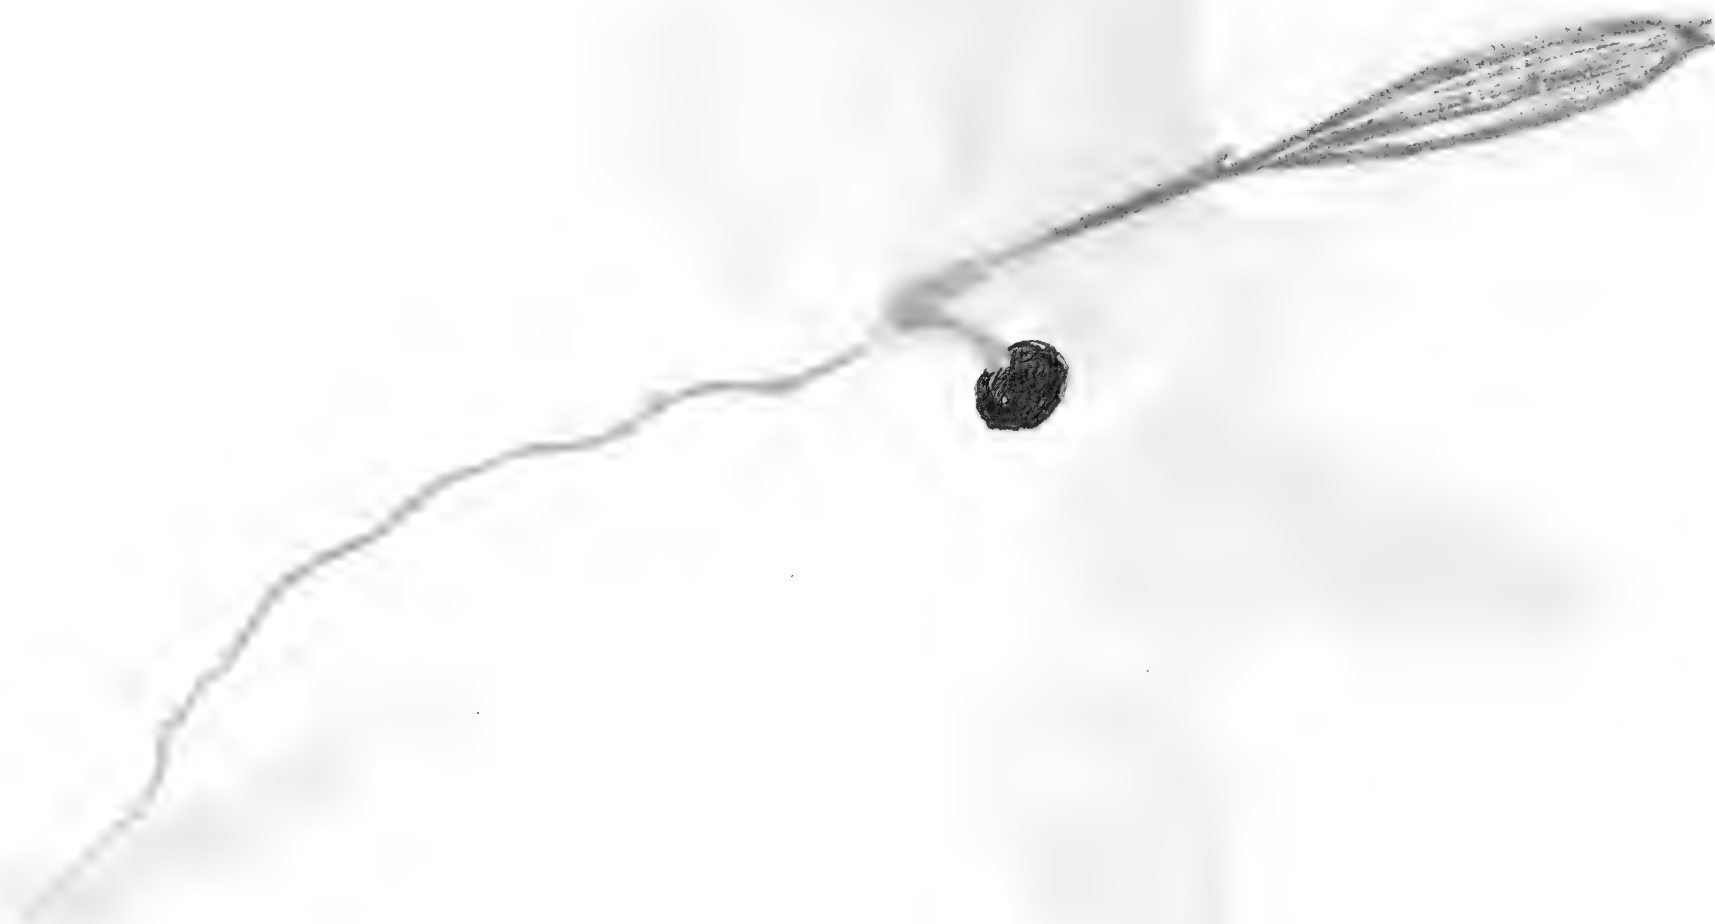

Rubus
parviflorus L.

Leucophaea
leucophaea

Simula
pentafolia.

Saba
C. m. llo.

Pinus
resinosa

Siphocampylus
communis.

Sequoia
 sempervirens.

Senecio
Douglasii

Stachys
latifolia.

Silva
arvensis.

Tricholaena
atropurpurea.

*Thymus
vulgaris.*

Quercus
macrocarpa

Thysanacarpus
eurypes.

Ranunculus
repens

Vaccinium
Corymbosum.

Knautia
virginica L.

*Verbena
sp.*

U. l.
europ. lous.

Ulmus
Americana.
